Changes in the Systemair Group Management

Taina Horgan has been recruited as Director Business Development and will form part of the Systemair Group Management.

Taina comes most recently from a position as Sales Director at FlaktGroup and has long experience from Sales management and Business Development. Her career within the HVAC industry started at Systemair in 1999 until 2012 and she was involved in logistics, IT and sales development.

“I am very pleased to welcome Taina back to Systemair. Systemair has continued to develop and there is a need to strengthen the group management. Taina is very familiar with Systemair and has vast experience from the industry. She will quickly enter the role and contribute to the continued success of Systemair”, says Roland Kasper, CEO, Systemair.
