

Press Release, 2 February 2012

## Management change in Systemair

Taina Veittikoski, which used to be part of Systemair group management and been responsible for logistics, and worked with business development, is leaving at her own request, Systemair on 30 March to take up another position outside of the group. Her tasks will still be distributed among other employees.

Gerald Engström, President and CEO comments: "We would like to thank Taina, for her contribution and service in our company for many years and we wish her the best of luck in her future career."
