Systemair in brief

Systemair is a leading ventilation company with operations in 38 countries in Europe, North America, Asia, the Middle East, Africa and Australia. The company generated sales of 3.3 billion SEK during the last financial year and has just over 2000 employees.

Since the foundation in 1974, Systemair has increased its turnover year-on-year while maintaining good profitability. The average growth over the last ten years has amounted to 15 percent. The group consists of 50 companies.

The group's products are marketed under the brand names Systemair, Frico, VEAB and Fantech. The company was listed on the Stockholm Stock Exchange on the 12th October 2007.
