signing the agreement at MCE in Italy, June 2022*

Systemair presented our complete HVAC solutions portfolio at MCE in Italy

After four years of absence, it felt extra special to meet with industry peers, partners and customers in-person again.

Systemair show-cased our efficient and green products, in line with the event's push for HVAC technologies that are increasingly respectful of the environment.

Italian Authorities Have Approved Systemair's Acquisition Of SagiCofim S.P.A.

Systemair announced on April 7, 2022 the agreement to acquire all shares in the Italian company SagiCofim S.p.A. The purchase was approved by the Italian authorities and closing took place in June 2022.

SagiCofim is an international supplier with extensive experience in air filtration and air distribution. The company produces highly efficient air filters of HEPA and ULPA class. In Sondrio in the Valtellina Valley, the company manufactures products for air distribution.

The companies' consolidated sales in 2021 amounted to approximately EUR 36 million with an EBITDA result of EUR 4.0 million. The companies have about 200 employees.
